## Summer Lawn Care Technician

### Purpose of Job:

We seek a Summer Lawn Care Technician to join our team at Red Oak's property, farm, and gardens. As the Summer Lawn Care Technician, you will be responsible for maintaining lawns, fields, and other outdoor areas by mowing, weed whipping, and performing other lawn care tasks to keep the properties looking neat and well-maintained. You will work alongside our maintenance and facilities team and our horticulturists.

**Accountabilities:** You will be accountable for, but not limited to:

### Essential Job Functions

- Operate and maintain lawn care equipment, such as zero-turn riding push mowers, and weed whips
- Mow, weed whip, and maintain lawns, fields, and other outdoor areas at Red Oak's property
- Trim hedges and shrubs to maintain a neat appearance
- Perform routine maintenance on lawn care equipment, including cleaning, sharpening, and oiling
- Follow safety protocols and procedures for operating equipment and handling chemicals
- Maintain a positive and professional attitude and provide excellent customer service to staff and visitors

### Qualifications:

- Previous experience in lawn care or landscaping preferred
- Ability to operate and maintain lawn care equipment safely and effectively, including weed whips
- Good physical condition, with the ability to lift heavy equipment and work in all weather conditions
- Attention to detail and a commitment to quality work
- Strong communication skills, with the ability to follow instructions and work independently
